Thessaloniki, 21 September 2011

Dear Sir/Madame,

On behalf of the Board of the Unesco Center for Women and Peace in the Balkan countries we would like to thank you for the participation of Misak-ı Milli ilköğretim Okulu to the UNESCO International Youth Creative Summer Camp, entitled "2011 – International Year of Chemistry", that took place on 18-25 August 2011, at Nea Skioni, Halkidiki, Greece.

One hundred and twenty children from Greece, Bosnia & Herzegovina, Bulgaria, Croatia, Montenegro, Ukraine, F.Y.R. of Macedonia, Romania, Serbia and Turkey participated in the camp.

The leader of your group, Ms Inci Önderli did an excellent job in organizing and leading the Misak-ı Milli ilköğretim Okulu delegation. The students of Misak-ı Milli ilköğretim Okulu, coordinated by Ms Önderli, have tastefully presented your country's customs and traditions and participated effectively in all camp activities, enhancing the intercultural dialogue and thus achieving the purposes of the UNESCO Center camp.

We would like to express our thanks for the participation of Misak-ı Milli ilköğretim Okulu to this camp that was organized for the 7th consecutive year and we hope that your school will continue to take part in the following International Youth Creative Camps of the UNESCO Center.

Yours sincerely,

Zografia Theodoridou

Director

UNESCO Center for Women and Peace in the Balkan Countries
